POSITION TITLE: SECTION HEAD, HUMAN RESOURCES

Team/Division: Human Resource Team, Finance & Corporate Services Division, Samoa International Finance Authority

Location: Level 6, Development Bank of Samoa Building, Apia, Samoa

Salary Range: 63,000 – 88,250.40

Our Purpose

SIFA is responsible for the incorporation and registration of international companies, and is also the regulatory authority for international companies, and supervisor of international banks, international insurance companies, international mutual fund companies and international trust companies.

Our purpose is to play a legitimate and integral role in international financial services where our solutions allow financial planning and risk management and makes possible cross-border vehicles necessary for international financial services.

As one of Samoa's largest Government income earner, we invest our funds back into our community through sponsorship of projects that benefit Samoa's economic growth as well as contributing to the Government budget, and poverty reduction.

How we Work

SIFA is governed by a Board of Directors and led by the Chief Executive Officer. We employ forty-eight (48) Staff, divided into four Divisions - Registration, Compliance, Business Development, and Finance & Corporate Services. Each Division has a Chief Manager that leads and shapes the Division and Section Heads that coordinate and collaborate with their Teams. The Team goals become the individual members goals and all are expected to work together to achieve this. All Team members are expected to learn all areas within the team's responsibility, become multi-skilled and able to step in at short notice within any role. On-the-job knowledge, positive attitude, exceptional performance and experience is valued and rewarded. We want people's hearts, not just their skills. We want people who have a heart for their Team, a heart for SIFA and a heart for Samoa.

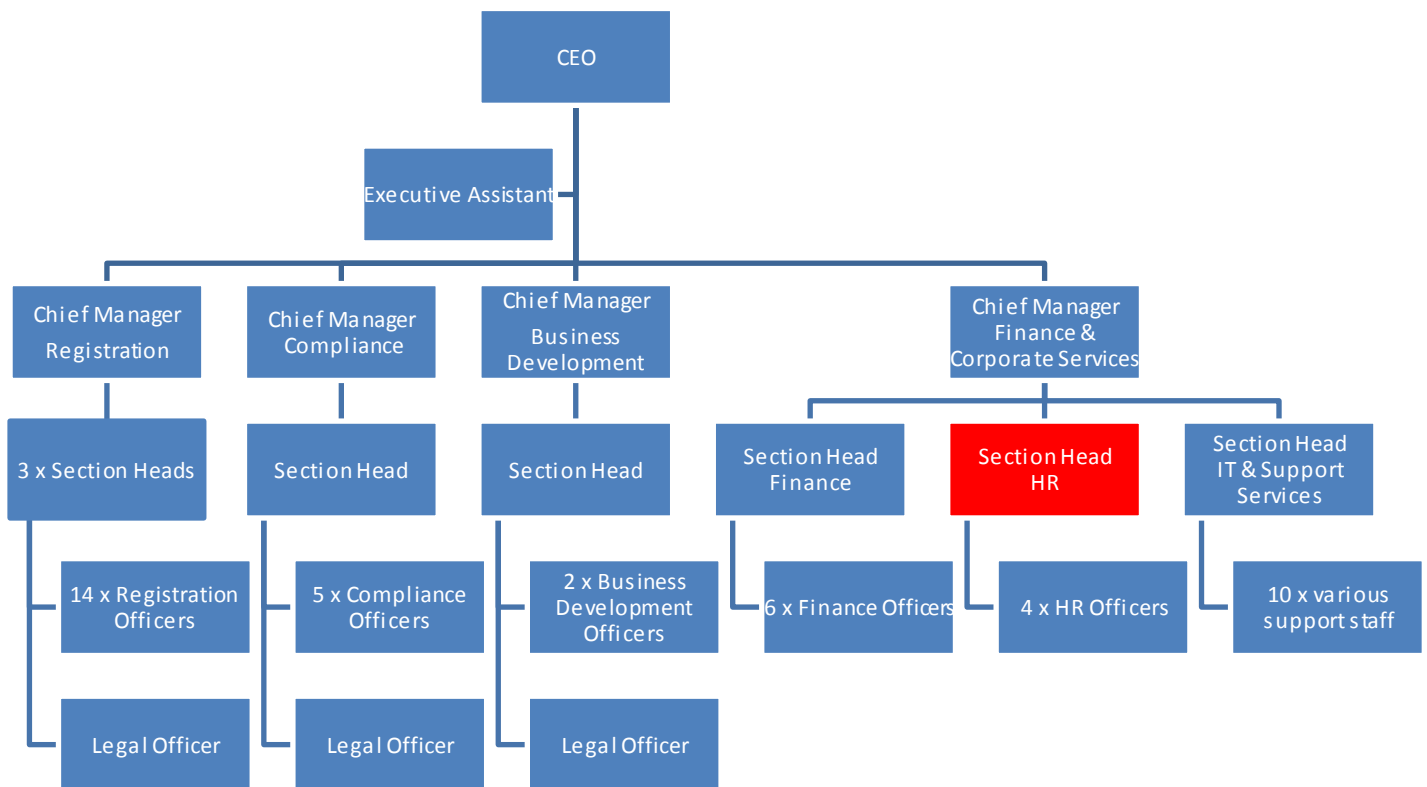

Using a democratic style of communication, Team members are encouraged to discuss and take ownership of Team decisions. There is a high level of trust between Management and Staff. We trust our Staff to be committed to their role and will carry out their tasks. The success of the Team is based on everyone in the Team pulling their weight. Because the Team depends on each other to achieve its goal, Team colleagues are likely to call out the individual that is not pulling their weight. Staff are enabled, encouraged and trusted to make decisions having received clear guidelines, training and competency measurements.

Our aspiration is that SIFA is a great place to work where great work gets done. We believe in harnessing the potential of our people and the diverse skills and life experiences they bring to SIFA.

Our Character

- Shape** We shape the agenda by challenging the status quo, and by generating and adopting new ideas, to bring those ideas to life. Although we value this competency in all Staff, this competency is expected from each Chief Manager. This means asking ‘why not?’ instead of ‘why?’ and leveraging off the collective that is SIFA in the pursuit of goals that stretch right across Teams, Divisions and even across Government, financial and international bodies.
- Collaborate** We support each other, engage early and proactively partner in pursuit of shared goals. Although all Staff are expected to collaborate, this is a competency expected of all Section Heads. This means Section Heads are expected to coordinate and influence their Teams requiring a high level of communication. They partner with their Team members to have input into how they will achieve the Team goals.
- Deliver** We have a can do attitude, take ownership, act with purpose, urgency and discipline, take calculated risks, celebrate success and learn as we go. This is the key role of all Team members, to take pride in delivering consistently high quality services. The core deliverers are the workers that provide our core services.

Our Structure

Position Purpose

The Human Resource Section Head coordinates the overall operations of the Human Resource Team by Collaborating with their Team to ensure SIFA staffing needs are fully supported.

The Human Resource Team is responsible for recruitment, Staff Contracts, tracking leave and entitlements. It supports staff travel, insurance needs, and counselling. It oversees payroll, and remaining loan repayments. It keeps track of Staff performance reviews and personal files. It maintains remaining loan legal documentation and inspects secured assets funded by loans.

The Section Head takes on the Collaborator role because s/he is a 'people person', able to influence and coordinate the core deliverers or workers with strong negotiation and communication skills. This role will provide training and allocate work. They will ensure procedures and clear guidelines are in place. S/he enables the Team to be part of the process on how best to achieve the Team's strategies and goals. S/he knows how to get the best from the Team and get Team buy-in. S/he measures performance not only for quality assurance purposes but also for recognising high performing Staff from non-performers. The Team trusts the Section Head to have sufficient knowledge to train and provide clear guidelines and procedures, allocate work fairly, deal with non-performers, and reward high performers.
